A few words from your Rally Secretary

It is that time of year when I would like to welcome you to the 2022 Rally Programme. We have some new rallies for you as well as the old favourites and I am sure you will find a varied choice for the coming year.

As always I would like to thank all our Rally Officers for their help in running rallies so that we can enjoy our hobby, because without them we wouldn't have this book full of rallies to enjoy.

I would like to thank our Advertisers and all the landowners for supporting the Avon Centre and more importantly, I would like to thank you all for attending our Rallies, without you our Centre would not be able to continue.

Hope to see you all on the rally field through out the year.

Nikki

A Yellow Flag, which clearly states No Vehicle Movement will be flown in inclement weather when the Rally Officer considers it necessary to protect the Rally Field. This Yellow Flag replaces the old 'red flag' and will indicate to ralliers that they Must Not take their vehicle on or off the Rally Field.

Please take care of our rally venues as we may wish to return in the future.

Where a committee has a majority of male members there must be two female nominations for the posts of Junior Liaison and Sports Officer and conversely that on a female dominated committee there must be at least two male nominations for the same posts. If there are only two nominations for the minority gender then they would automatically be elected. Where there are more nominations the highest votes would take the positions. In the event of no nominations of an appropriate gender for these posts then these to remain open so that the elected committee may co-opt suitable persons at a later date.

B) The Committee of the Avon Centre put forward that the motion of the 2007 AGM is rescinded, until such time as a Junior Committee is formed and the need for dedicated Liaison and Sports Officers are required.
